

Dear members, Dear friends of the SSCC,

Hope you are all doing well and stay healthy!

In this newsletter, we would like to welcome and introduce our newest members. For the past months, more than 20 new members have joined the SSCC. Below we are very pleased to introduce some of the corporate members who have joined us. A warm welcome to all of you!

With the current situation, we cannot offer any physical events, so we have moved the networking online! We are working hard to offer webinars or other relevant information "to our members by our members". We are also collaborating across the borders with other Swedish Chambers in Europe to join forces in promoting webinars to our respective networks. The next webinar is up today at 11:00!

We believe that it is very important to continue networking, sharing information and knowledge during this difficult time. As a member of the SSCC, we invite you to contact us to discuss how we can work together during this time.

In our next newsletter later this week, we will present "special offers to our members by our members". **Do you have an offer you would like to share with our community? Contact us now.**

Stay in touch!

Kind regards and take care,

Eva Fiorenzoni
Managing Director
