

Swedish Swiss Chamber of Commerce

SSCC Newsletter | December 2018

Dear all,

We are almost at the end of the year, and we can look back and with confidence say it has been a very active and interesting year for the Swedish Swiss Chamber of Commerce. We have organised 37 events around Switzerland with topics covering "startups" to "saving the ocean". We are very thankful that so many have attended our events and are showing interest for the SSCC.

In this newsletter, we are pleased to present some new **member offers** exclusively for our members. They are being updated on a regular basis on our website, so make sure you visit this section from time to time.

We hope to see many of you at our annual **SSCC Business Forum** on 31 January 2019. The topic this year is Artificial Intelligence and you will find more information below.

Finally, we are very pleased to welcome some of our newest members to our community. Meet them in the **new members** section below.

Best wishes,
SSCC Team in Zurich, Geneva and Lugano
