SSCC Newsletter 3 | April 2017

Welcome to the new SSCC website

In March we launched our new website. The main difference is that it is responsive and easier to navigate on a mobile device. It also has a cleaner, modern look and feel which we hope will help you when navigating.

In addition it has four short cuts on the start page to other sections on the website you might not know about. One of them is **Newsletters** where you can find all newsletters from 2016 onwards. Another one is **Member Offers** where our members can place a special offer they have to our community.

I would also like to draw your attention to **Open Positions within our community** under **Members**. Take some time and have a look around and do let us know if you have some feedback.

We are looking forward to seeing many of you at one or more of the upcoming events in April, May and June in Basel, Geneva, Lugano and Zurich.

Best wishes,
Eva Fiorenzoni
