

Swedish Swiss Chamber of Commerce

SSCC Newsletter 1 | February 2017

Dear all,

We hope that the new year has started well.

At the Swedish Swiss Chamber of Commerce we started off the year with a couple of ski related events; a motivational speech from the Swiss Champion Dominique Gisin in Zurich followed by a joint event with the Swiss Chamber of Commerce at the World Cup Ski Competition in Stockholm. In January, we discussed the Salomon market and co-hosted a CEO Luncheon with AmCham with guest speaker Ulrich Spiesshofer.

In February, we had the opportunity to listen to KTH and ETHZ Professors talkig about "Robots at your service".

We have a series of different events coming up in March starting with the annual SSCC AGM. We are looking forward to seeing many of you at one or more of these upcoming events.

Best wishes,
Eva Fiorenzoni
