SSCC Newsletter 2 | March 2017

Spring is on its way and it is this time of year where we start working on the annual SSCC Yearbook.

The Yearbook not only summarizes the past year, but also look forward to the upcoming year with relevant articles. It contains a member list, information about the SSCC, Swedish/Swiss statistics and other useful information linked to the Swedish/Swiss commerce and to the SSCC. The Year Book is distributed in a print version as well as a digital version.

We are looking forward to seeing many of you at one or more of the upcoming events in April and May in Geneva, Lugano and Zurich.
